

HUA SHENG EU LIMITED

About Us

Huasheng plastic products was found in 1997 as a joint venture company, with registered assets USD 2.4 million and total investment over 30 millions. It is located in weifang, Shan Dong province and occupies 30,000 sqms and has 120 sets of machines with minimum production capacity of 12,000 tons/year.

We mainly produce shopping bags, garbage bags, freezer bags, Ice Cube bags and dog bags from different materials like virgin and recycled resins of HDPE, LDPE, MDPE, LLDPE, biodegradable resin and degradable additives. Besides, we also produce gloves, aprons, shoes cover, umbrella bags, table cover, cloth cover, cling film and baking/aluminium paper. We could produce customised bags with maximum 8 colours printing.

We proudly export to our products to most European countries and American countries by establishing long term business partnership worldwide.

Our product reached the International Quality Management System ISO9001:2008.

Our Product

We produce more than 80 types of products including garbage bags, carrier bags, food/freezer bags, zipper bags, Ice Cube bags, Cling Film, table cloth, gloves, aprons, umbrella bags, shoe cover, garment bags, bakery bags and paper, aluminium paper.
